Worshipping Together

Psalm 149:1

Loyd Flaherty

God values the sincerity of our worship more than the music styles that may change over time. Worshipping together in unity is a crucial part of our spiritual growth as we mature in our faith.

1. Unity in Worship

Psalm 149:1 “Praise the Lord. Sing to the Lord a new song, his praise in the assembly of his faithful people.”

This verse from Psalms reminds us of the joy and importance of worshipping together. It's not just about singing; it's about coming together as one family to celebrate and honor our Heavenly Father.

2. Heartfelt Worship

True worship is a heartfelt response to who God is.

John 4:23-24 “Yet a time is coming and has now come when the true worshipers will worship the Father in the Spirit and in truth, for they are the kind of worshipers the Father seeks. God is spirit, and his worshipers must worship in the Spirit and in truth.”

True worship starts in the heart and connects us deeply to God.

3. Worship Environment

Psalm 95:6 “Come, let us bow down in worship, let us kneel before the Lord our Maker.”

Our worship leaders, singers, instrumentalists, and sound team prayerfully prepare to help create an environment where we can all come in humble reverence before God, our Creator, and be encouraged to worship from our hearts.

Summary:
